

# Personalisation of the Nexis® Search Pages

Personalise your own Nexis® login to suit your individual needs using My Favourite Search Forms

**Step 1:** Select the drop-down next to **My Favourite Search Forms**

**Step 2:** Tag the search forms you wish to easily navigate to, the selected search forms will now appear directly underneath the My Search Forms box on the left-hand side

**Tip:** Remember that you can still set any of your pages within Nexis® as your start page using the **Make this my start page** hyperlink on the top right of your screen! Once the changes have been made you will see the home logo appear.
